

FORTHCOMING SOON IN PAID-WA

- Second promotion of the PAID-UPEACE professional training in Humanitarian Response and Disaster Risk Management 1-4 April 2020 in Buea.
- Organization of the 47th-50th graduation ceremony.
- Launching of an organic agricultural project described as “Landscape Management and Food Diversity” aimed at the promotion of organic farming within the construct of the ‘*concertopole*’ concept.
- Opening of a documentation production office to facilitate the production and publication of research work, students thesis and other academic works in order that PAID can establish a recognized academic writing methodology.
- Rehabilitation of the campus by reinstating the hosting of the flags of PAID partners to reflect and respect the international status of the organization, repainting the campus and re-electrification for security purpose.
- Establishment of partnership with ‘*Jeannot Green Ergy*’ and ‘*Jointly We Can Make It*’ NGO (JUCAMIT) a community development organization whose objective is to promote the use, and professional training in solar energy in rural areas.
